Adventure Challenge Programs

Contact **Corporate Learning Institute** for an adventure program that's right for your team! We are a challenge by choice company that allows you to choose the level of challenge that's right for your team.

Choose a less challenging option! – Problem-Solving Games

Come warm up with us with problem-solving games designed to be low-impact, yet fun and exciting. These brain teasers are offered outdoors and allow you to work creatively with others.

Choose a little more challenge! - The Low Teams Challenge Course

Join us on the Low Teams Challenge Course where you will participate in a series of outdoor team building activities that are fun, physical, challenging and thought provoking. The Low Teams Challenge Course allows you to step up in terms of risk to try the following fun and exciting activities.

Choose more team challenge! - The Expedition High Ropes Course

Join your group on the towering Expedition High Ropes Course for the ultimate in fun collaboration and risk-taking. Set above approximately 24 feet above the ground, you will feel like you have achieved the impossible when you complete our high ropes course!

Choose a personal challenge! - Power Pole

The final session will allow you to take a personal risk while others support you on the Power Pole. Challenge your fears and experience what it feels like to take a "leap of faith."
